**OC / LB Chapter
Monthly Meeting on the
first Tuesday of the
month from 7:00 to
8:30 PM.**

We have a social hour at 7 PM, and dinner service will begin at about 7:30 PM. Each person is responsible for their own food and beverage bill. We have

rarest collections of American aircraft worldwide. The collection began in 1973 with the acquisition of the Beech Staggerwing and from there grew to more than 200 aircraft. Many of the aircraft at Yanks are the only remaining specimens of their kind. Yanks Air Museum houses one of the largest and most historically significant collections of American aircraft including the World War II fighters, dive and torpedo bombers. The aircraft collection begins with the 1903 Wright Flyer (only replica in collection) and continues through the 1980s era represented by the F-15 Eagle, F-16 Fighting Falcon and Blue Angels F-18 Hornet. The collection exceeds 190 aircraft, with some being the last survivors of their type. Yanks restores all aircraft to airworthy condition, and in the restoration of these rare aircraft only original factory

specifications and materials are used.

"Chino facility and exhibits"

The Chino facility encompasses 176,000-square-feet under roof and covers 10 acres. In addition to the display hangars, public access is permitted, on a supervised basis, to the main restoration hangar and bone-yard where historic aircraft are in various stages of restoration. Some of the aircraft will not be flown due to their rarity, but are restored to fully airworthy condition.

Aircraft collection:

A total of 190 aircraft are displayed, covering the period from 1903 through 1984 including the Inter-War period that includes the Ryan Brougham, American Eagle A-101 and Swallow TP. Rare types on display from World War II include the P-51A Mustang, Curtiss P-40

a **\$50 minimum for our group.**

During the Social Hour, the Core Group will be meeting briefly. You are welcome to attend the Core Group Meeting and give input. Only Core Group Members can vote. The general meeting will start at 8:00 PM.

Gamble House and Pasadena Museum January 19, 2018

Please notify trip leader if you plan to attend.

From the Gamble House Website: "The Gamble House in Pasadena, California, is an outstanding example of American Arts and Crafts style architecture. The house and furnishings were designed by architects Charles and Henry Greene in 1908 for David and Mary Gamble of the Procter & Gamble Company. The house, designated a National Historic Landmark in 1978, is owned by the City of Pasadena and operated by the University of Southern California. One-hour docent-led tours are available to the public Thursday-Sunday. Tours begin at 11:30am Thurs-Fri and 12noon Sat-Sun. A picnic opportunity awaits every week on Brown-Bag Tuesdays. Enjoy your lunch on the terrace and take a docent-led 20-minute tour at 12:15 or 12:45.

From the Pasadena Museum of History Website: "Fenyas Mansion Tours Fri, Sat, & Sun, 12:15 pm With its original furnishings and art collection, the
