Join Great Outdoors for a Sunday morning visit to the amazing Automobile Driving Museum, located just South of LAX, at 610 Lairport St., El Segundo, CA 90245.

An advertisement for the Automobile Driving Museum (ADM). The top section has the heading "About - Take a Ride" in a cursive font. Below it, a paragraph describes the museum as the only one in the world that offers rides in its fleet of classic cars. A smaller paragraph states that rides are held on Sundays from 10am to 3:30pm for guests aged 10 and older. The central part of the ad features a photograph of the museum's brick building with several classic cars parked in front. A sign for the museum is visible in the photo, with the text "Automobile Driving Museum ADM THE MUSEUM THAT TAKES YOU FOR A RIDE". At the bottom of the ad, contact information is provided: "610 Lairport Street • El Segundo, CA 90245 • Tel. (310) 909-0950 • Email. [jodeeh@theadm.org](mailto:jodeeh@theadm.org)".

The Museum operates with a Volunteer staff and is supported mainly by **guest Donations**. The recommended Donation is \$10 for adults. **Plan to meet in-line, near the front door, at about 9:30 AM, before signing in for the “touring” and museum...
