The holidays are upon us again. Ritch and Byron will be hosting our third annual Great Outdoors OC/LB holiday party. These are a highlight of the season, and *absolutely nothing* like your office Xmas party.

The party will be at Ritch and Byron's home in Long Beach. No reservations are needed. We'll start with a pot-luck dinner - bring your favorite dish to feed four people. We will have soft drinks, coffee and tea available, but if you want something stronger, bring your own (and plan for a designated driver).

Our annual white elephant gift exchange will follow dinner. Bring a wrapped, "white elephant" gift, which is something that you have in the garage or attic and consider tacky or useless, but somebody else might *actually like* (if they have no taste, of course). The gift at right was a hot item! Don't put your name on it - you wouldn't want everybody to know who brought it, would you? If you find something irresistible you will have a chance to exchange your gift for somebody else's tacky gift, uh, *treasure*, but there's a limit!

After the gift exchange, we will show two movies - the new Star Trek in Blu-Ray, and a delightful gay Xmas movie, Make the Yuletide Gay. One movie will be shown in the media room and the other in the newly enclosed patio area. For those Scrooges who don't like movies, games will be available in the living room. After the party you're welcome to stay and visit around the fireplace in the media room or in the enclosed patio. The party will end with the final reel of the movie or about 10:00 so you can get home and to bed and dream of a hunky (or voluptuous) Santa.

Ritch and Byron live at 2301 Golden Avenue in Long Beach (90806). It's easy to find on Google Maps, MapQuest or your Thomas Guide, or just travel south on the 710 freeway and exit at Willow Street East. The first stop light after leaving the 710 is Golden. Turn right (south) and the house is about a half mile down the street on the right.
